**From the Desk of
Chairman & Founders**

Dear Visionaries,

“Vasudhaiva Kutumbakam” - The world is one large family says our Maha Upanishad.

Service and promoting a passionate approach towards service to humanity is an important field of activity which will bring like-minded people together.

Sankara Eye Foundation India can look back over the past 4 decades and with certain amount of pride say how the seed sown 47 years ago at Coimbatore in Tamil Nadu has spread across all over the world in keeping with the philosophy of Vasudhaiva Kutumbakam.

It started with young student volunteers from different parts of the world coming down to Sankara India to work as volunteers and passionately serve the needy.

Towards the end of the last century a classic example of bringing people together happened in the Bay area in US.

Thanks to the persistence and perseverance of our volunteer in Coimbatore late Rtn.P.Balasubramaniam, his nephews Mr.Murali Krishanmurthy and Mr.Sridharan established Sankara Eye Foundation USA, primarily to support Sankara India to extend its services to other parts of our Country.

Today Sankara Eye Foundation USA is one of the top charities in that Country and their support has resulted in Sankara India establishing 14 Hospitals in different States of India and marching towards half a million free eye surgeries annually by the year 2030.

The Humanitarian cause of providing the Gift of

Vision to the Rural poor in India has inspired thousands of volunteers in US to spontaneously come forward and support the Movement.

They are the Champions of change.

A well knit homogenous family always takes care of the other family members who are in need of support. It is a natural human instinct.

Many more charitable eye care Institutions in India are also being supported by Sankara Eye Foundation USA in order to reach out to the millions, truly echoing the words - “Vasudhaiva Kutumbakam”.

Sri Rakesh Jhunjunwala and Smt Rekha Jhunjunwala truly demonstrate the endless spirit of generosity. They strongly believe growing is about giving. Their involvement is making it possible for Sankara to expand the dream and embrace a larger “family”

At home in India, Sankara Eye Foundation has established Sankara Eye Hospitals in different States performing around 1000 free eye surgeries every day and uplifting as many needy families, assuring them a bright future.

Young Girls from Rural India spread over the various States are undergoing the DOA(Diploma in Ophthalmic Assistance) training in Sankara Eye Hospitals.

Doctors, Administrators, Staff and Optometrists from different parts of India are working under Sankara umbrella.

Looking at the canvas now it gives all of us enormous satisfaction, that in our own way we are able to live up to the Upanishad saying “Vasudhaiva Kutumbakam”.

Dr. S. V. Balasubramaniam
Chairman

Dr. R. V. Ramani

Human Relations

Empowering People, Building Futures

At Sankara Eye Foundation India (SEFI), we believe that our most valuable resource is our people. Our commitment to cultivating “The Right Attitude, Values, and Trust” underpins our HR activities throughout the year. We are dedicated to creating a capable workforce by fostering an environment that nurtures growth, encourages continuous development, and prioritizes employee wellbeing. Through our comprehensive HR initiatives, we strive to support and empower our employees, ensuring they are equipped with the skills and support needed to excel and thrive within Sankara.

System Assisted HR Services

To replicate the organization's DNA of human values, we have made a strategic investment in automation year on year, ensuring that our HR portfolio remains focused on its people. We have developed and implemented automation tools to streamline key processes, including the deletion of inactive users and the calculation of incentives. These tools now operate at regular intervals, significantly reducing costs and eliminating manual intervention. What once required considerable time and effort is now completed swiftly and efficiently due to our collective efforts to adapt to technological advancements.

Fostering Culture and Competence

The Human Relations Department at SEFI plays a vital role in maximizing employee productivity and fostering a positive work environment. By driving strategic initiatives and implementing value-added programs, the department contributes to the holistic development of the workforce. SEFI's commitment to a zero-tolerance policy on sexual harassment is bolstered by comprehensive training programs for all staff, including specialized sessions for internal committee members. Additionally, a Manager Development Program was implemented to enhance team effectiveness, equipping managers with the skills needed for higher responsibilities.

The SEVA initiative at SEFI, standing for Service, Empathy, Value, and Adapt, instills Sankara's core values and emphasizes patient care. It covered four key modules: Service with Compassion, Empathy in Care, Impactful Communication, and Positive Behavior in a Service Organization.

Nurturing Emerging Talent

Each year, graduates from our Sankara Academy of Vision (SAV) receive guidance on HR policies, compensation, and career growth. We also recruit trainees from top universities across the country, providing them with training in various departments to prepare them as future leaders. New teams are given thorough training, with additional support provided to ensure smooth integration and operations.

Celebrating and Caring for Our People

Sankara's greatest strength lies in its people, and we take utmost care to make sure each employee inculcates a sense of belonging and pride in everyone at Team Sankara. This year, employees were recognized with spot awards for their outstanding contributions, in line with our recognition policy. As part of our employee engagement efforts, a group of employees also participated in sessions focused on relaxation techniques and team-building activities to enhance their overall work efficiency and collaboration.

Employee Welfare

At SEFI, we prioritize the wellbeing of our employees, understanding that they are the heart and soul of our organization. We offer a comprehensive benefits package that includes financial security, medical insurance, accident coverage, and housing support, alongside schemes like Employee Deposit Linked Insurance (EDLI) throughout their service. Considering ourselves as a Social Enterprise, employee benefits are designed to support and value our employees.

Sankara Academy of Vision, World Class Pedagogy for Eye Care Education

Vision impairment continues to be a global health challenge. The increased incidence is further impacted by the lack of capable and efficient human capital in eye care across cadres.

True to our vision of holistic capacity building of eye care professionals, Sankara Academy of Vision has remained steadfast in its commitment to promoting global unity and interconnectedness through many initiatives and partnerships.

From international educational programs to collaborative research projects with institutes of eminence around the world, each endeavor has been a testament to our Founders collective vision of a world where borders blur and we are united by a purpose to eliminate avoidable blindness.

Academic Programmes

All undergraduate and postgraduate academic programmes continue to be affiliated with statutory bodies. We have expanded our training programmes across all our institutions including Hyderabad.

Admissions:	
DNB Ophthalmology	101
Ophthalmology Specialty Fellowship	271
B Optometry	147
M Optometry	98
Optometry Internship	84
Optometry Fellowship	35
Diploma Ophthalmic Assistance	147
Clinical Observership	15

Our commitment to fostering an inclusive and interconnected global educational environment is reflected in our successful submission of the annual report to the NAAC for Sankara College of Optometry, Bangalore. This not only showcases our dedication to excellence but also our effort to embrace and implement global best practices in higher education.

Our DNB programme saw a pass percentage of 94%, among the highest for similar

organisations across India. Senior ophthalmic educator Dr Meenakshi has joined our programme as an adjunct and visited Kanpur to further enhance our training. Our fellowship programme continues to attract the best of talent with an average of 3.5 applicants for each seat available. The school of optometry at Bangalore saw 4 of the top 10 ranks being awarded to our students.

This year, our academic programs welcomed diverse cohorts that included international students from Italy, Uzbekistan, Nepal, Bangladesh, Singapore, South Africa and USA. These initiatives not only foster cross-cultural dialogue and learning.

Our optometry students highlighting their ethnicity during the ethnic day celebrations

Vision 100000 - Given India's large population afflicted by curable blindness, there's an urgent need to increase cataract surgeries. Sankara, supported by its alumni, is committed to reaching underserved areas, performing 10,187 free surgeries this year. This initiative ensures accessible eye care and embodies 'Vasudhaiva Kutumbakam' — the world is one family.

Research Collaborations:

Research and innovation are core pillars at Sankara Eye Foundation, India, reflecting our commitment to advancing medical science. In October 2023, we began a collaboration with the University of Bonn and Microsoft Research to improve cataract surgery in India using deep learning-based smartphone video analysis. We also made significant progress in our tele-medical diabetic retinopathy screening project, covering 24 underserved regions and developing the Sudarshan App for smartphone-based screening.

Our collaborations extend to prestigious institutions like IISc, Svyasa Yoga University, Genotype Laboratories, Manipal Institute of Regenerative Medicine, NIMHANS, and NCBS, enriching our research ecosystem. We initiated a new partnership with the University of Colorado, expanding international research connections.

This year, we became a MAHE Research Centre for PhD programs, elevating our status as a hub of academic excellence and research innovation. This affiliation underscores our commitment to advancing knowledge and nurturing future research scholars in ophthalmology.

Through these research collaborations, SEFI continues to lead in ophthalmic research and eyecare services, driving advancements that align with our mission of serving communities in India and globally.

Intellectual Property

This year, we saw a phenomenal performance in research from our innovators across Ophthalmology & Optometry at SAV. We have had 5 of our colleagues file patents and 1 being granted the patent after 9 years of hard work. Many of our colleagues have submitted their inventions to prior art searches

Sudarshan Reading Centre:

The Sudarshan Retina Reading Centre, inaugurated in June 2023 by Sri Jayendra Saraswati Swamigal, marks a milestone in advancing eye care excellence. This state-of-the-art facility underscores SEFI's dedication to innovation, technology, and compassionate patient care in retinal health

Sudarshan Reading Centre Inaugural by His Holiness Sri Vijayendra Saraswati Swamigal , Sankaracharya of Kanchi in the presence of Guru Ganesan, President & MD, ARM India and Ashwini Puneeth Rajkumar

Title	Patent Status	Inventor
Application of Dynamic Gratings with Variable Spatial Frequencies as a Single Focus with Dual Field of Vision in a Simulated Environment	Patent Filed	Dr. Aditya Goyal, Head of Optometry, SEFI
A System And Method For Objectively Assessing The Size And Depth Of Interocular Suppression	Patent Filed	Mr. Sebin Sebastian, Faculty - Sankara College of Optometry, Ludhiana
Fenestrated Scleral Contact Lens for Gaseous and Tear Exchange	Patent Filed	Dr. Aditya Goyal, Head of Optometry, SEFI
Vision Screening Method And System Using Anaglyph Glasses	Patent Filed	Dr. Aditya Goyal, Head of Optometry, SEFI & Dr. Sajal Jain, Primary DNB resident, Sankara Eye Hospital, Bangalore
Scleral Fixated Intraocular Lens	Patent Filed	Dr. JK Reddy, Medical Director, SEFI
Vision Aid Device for Improving Vision of Patients with Retinal and Optic Nerve Disorders	Patent granted	Dr. Mahesh P Shanmugam, Head – Vitreo Retina & Ocular Oncology, SEFI

United in Care-The Multidisciplinary Patient Care Team

The Patient Care Team (PCT) at SEFI ensures holistic, patient-centered care across 13 units. Established in 2023-2024, PCTs enhance patient satisfaction and optimize care delivery through monthly meetings, proactive engagement, and innovative initiatives like post-op care materials, emergency tokens, and efficiency improvements, fostering continuous improvement and collaboration.

Embracing Diversity Workshops

Trainings organized		Outcome of the program
1	Parivarthan 2023	Held at Sankara Eye Hospital, Coimbatore, this update on Orbit & Oculoplasty and Pediatric Ophthalmology received positive feedback from over 100 ophthalmologists
2	CME on Uveitis and Orbit & Oculoplasty	Organized by Sankara Eye Hospital, Shimoga with Karnataka Medical Council, this CME focused on clinical approaches through case scenarios, lectures, and discussions
3	Vision Quest 2023	Held by Sankara Eye Hospital, Jaipur and Jaipur Ophthalmological Society, this event on advances in corneal laser vision correction was attended by 110 ophthalmologists in Rajasthan.
4	Eye Update 2023	Sankara Eye Hospital, Guntur, in collaboration with Guntur Ophthalmological Society, organized this CME to provide new insights into topics from Cornea to Neuro-Ophthalmology.
5	Practice Management 2023	This CME, designed for alumni at SAV, covered statutory regulations and financial management for ophthalmology clinics based on current industry trends.
6	Faculty Development Program 2023	With guidance from experts at MAHE, University of Hyderabad, and senior faculty, this training focused on learning objectives, competency-based assessment, ethics, and research methodology
7	Research Methodology & Basic Sciences Workshop	A 3-day workshop for 55 DNB students focusing on research methodology and basic sciences in Ophthalmology.
8	16 th Annual PG Update	A training session preparing 150+ students for the DNB Ophthalmology exit examination.
9	Conflict Management for Students Sign language Emotional Intelligence	Conducted in collaboration with Young Indians - Bengaluru, the workshop was aimed at 90 Optometry students at Sankara College of Optometry

16th Annual PG Update Program

Research Methodology and Basic Sciences Workshop & Faculty Development Program

Celebrating Cultural Festivals Throughout the year, various cultural festivals brought vibrancy and opportunities for cultural exchange to our campuses. Reflektionz, held on October 11-12, 2023, celebrated the 10th edition with 450 students showcasing their talents within the enchanting 'Wonderland' theme, enhancing community spirit at Sankara College of Optometry

Onam Celebration & Reflectionz – Inter College Fest

Convocation

Convocation is a key event celebrating academic achievements. In 2023-2024, Sankara Academy of Vision honored graduates from various programs, including Sub-speciality Fellowships, DNB in Ophthalmology, and Optometry degrees. This year, 32 Undergraduates, 27 Postgraduates, 16 DNB students, 65 sub-speciality fellows, and 92 DOA students graduated. The ceremonies featured distinguished guests: Mr. Harinarayana Sharma, Ms. Sandhya Sriram, and Dr. Prof D. Jagadeswaran

DOA Handbook release

The DOA Handbook by Sankara Academy of Vision equips ophthalmic assistants with essential knowledge through a comprehensive question bank and integrated video links. This pioneering tool simplifies complex concepts, enhancing learning and confidence. It plays a crucial role in developing skilled professionals and improving eye care services.

SanQALP Sankara Quality Assurance Learning Program

United for health: Together we control Infections !

To increase the awareness of Infection prevention amongst our staff, Infection control certification programs were conducted in collaboration by Raman n Weil in 2 of our units. One was in Guntur unit on 14th May 2023. 47 staff participated in the training program.

The second one was in Bangalore unit on 24th Sep'23. This program was also accredited by KMC (Karnataka Medical Council) with 2 credit hours, and was conducted under the aegis of BOS (Bangalore Ophthalmic Society), AHPI (Association of Healthcare Providers of India), and AMC (Association of Medical Consultants). 141 participants were certified through the training program.

Hand hygiene Day 5th May 2023

On occasion of Hand hygiene day on 5th May, trainings were given to patients on hand hygiene. Posters were displayed with info on WHO's Handrub steps, and a QR code was provided. Patients who scanned the QR code and answered the 3 simple questions were provided with an e-certificate.

Synergy in Action : Elevating Quality through collaborative Teamwork !

Towards our continuous efforts of ensuring quality and safety across our units, the 9th SanQALP (Sankara Quality Assurance Training Program) workshop was conducted on 28th – 29th Sep'23 in Bangalore unit. The 2 day workshop brimmed with abundant learnings, engaging interactive sessions, and the introduction of novel concepts facilitated by knowledgeable experts. This year, apart from 44 Quality champions that included most of the

Unit heads and CMOs, there were 2 faculties from SCO (Sankara College of Optometry) and 14 participants from MHQ (Mission Headquarters) sharing their views. The workshop was a great success offering actionable new concepts to implement and valuable insights to integrate into practice.

Forging connections, Ensuring excellence : Alumni hospital audits

To ensure all our patients undergoing eye surgery at the Alumni hospitals receive good quality eyecare services, Alumni audits have been initiated. Audits have been conducted in 12 Eye hospitals by the Quality officers as per preplanned schedule. Audits have been conducted with a special focus on the basic requirements of ensuring Patient safety and quality of services like availability of firefighting resources, availability of basic signages, documentation of clinical findings and treatment, ensuring medication safety, adherence to Infection control measures, etc. Adherence to above basic requirements has enabled us confirm the delivery of Quality Eye care services.

Promoting Consistent Quality Care through Accreditations and Certifications

We've made sure that all our hospitals adhere to the Healthcare quality accreditation standards. This commitment has not only strengthened our system but also fostered ongoing quality improvement and patient safety across all units. In the past year, SanQALP (Sankara Quality Assurance Learning Program) led by our Quality champions ensured that all our hospitals were compliant with NABH (National Accreditation Board for Hospitals and healthcare providers) standards, with two of them additionally receiving ISO certification.

SEFI: Leading the Way in Conference Representation and Award Recognitions

CAHOCON 2023 (Consortium of Accredited Healthcare organisations Conference)
SEFI has always been on the forefront in representing itself at various conferences, actively participating, and achieving recognition through awards.

On 15th April 2023, SEFI won the 1st prize in Platform presentation (General services category) at the 7th National conference CAHOCON 2023. SEFI emerged as the prize winner among numerous specialty and multispecialty hospitals across India.

ASSOCHAM (Association of Chamber of Commerce industry) awards

For its exceptional dedication and outstanding service for patients from all societal backgrounds, Sankara Eye Foundation India was declared the Winner in the Best Group of Hospitals category. This recognition acknowledges the organization's tireless efforts and commitment to providing high-quality eyecare.

2nd Edition of CII (Confederation on Indian Industry) Healthcare and Hospital Technology Awards 2023.

SEFI was the winner in Health Innovation Award at Confederation of Indian industry (CII) Hospital Tech 2023 conference on 23 Nov'23. Award was received from the CII Western region Health Subcommittee.

R Jhunjunwala Sankara Eye Hospital Panvel received the 'Certificate of participation' in the category 'Best Patient Safety Initiative' of 2nd Edition of CII W R Innovation in Healthcare and Hospital Technology Awards 2023.

Sankara Eye Foundation USA

25Years of Giving the Gift of Vision

In 2023-24, Sankara Eye Foundation, USA celebrated 25 years of Giving the Gift of Vision. From supporting one Sankara Eye Hospital in 1998 to a network of 12 Sankara Hospitals and 14 partner hospitals in 15 states in India providing 363,000 free eye surgeries, SEF, USA made great strides with Vision 2030: March to a Million, an all-India initiative to perform One Million Free Eye Surgeries annually by 2030. Today SEF, USA is the world's largest free eye care provider!

In 2023-24, SEF, USA supported several capital projects including SEF hospitals in Varanasi, Guntur (AP) and partner hospitals in Mathura (UP), Purulia (WB), Pune, Solapur (Maharashtra), and Mastichak, (Bihar). While many of the projects are already completed, the SEF Guntur and Partners projects in Mathura and Solapur will be inaugurated in 2025, creating a capacity of 800,000+ free eye surgeries. Fundraising for these projects is in full swing.

Grand Concerts, Galas, and Dandias Bring Together Patrons in the 25th Year

Sankara Eye Foundation, USA began its 25th year in grand style with a string of successful events in 2023. Here's a quick recap.

On April 7, the Grammy-nominated Berklee Indian Ensemble, founded by Annette Phillip, performed to a full house in Palo Alto, California to raise funds for SEF, USA. On May 6, the Dallas chapter hosted **Open Eyes with Hasan Minhaj**, a fundraiser gala featuring the award-winning comedian, writer, actor, and television host, Hasan Minhaj. SEF, USA's **Dil Se** concert in the Bay Area, California, on May 28 was a dazzling musical tribute to A.R. Rahman celebrating 30 years of his contribution as a music composer. Renowned Indian-American singer-songwriter **Sid Sriram** rocked the Oakland Arena in the Bay Area with his **All Love No Hate USA** Tour performance on September 24.

Sid Sriram's All Love No Hate Show

On October 7, the annual **'Be the Light' Gala** at the exclusive Cipriani at Broadway, New York, with keynote speaker, Mr. Jay Chaudhry, CEO of Zscaler, was an elegant event attended by 200 people and raised about \$1.5 million. On October 29, the **'Gala for a Brighter Future'** at New Jersey had Dr. C. S. Pitchumoni, noted gastroenterologist, as keynote speaker. The **'Be the Vision' Gala**, on December 9, at San Jose, CA was an inspirational evening attended by about 250 people with Mr. Bharath Balasubramaniam of Sankara Eye Foundation, India, as the guest of honor.

SEF, USA's much anticipated Navaratri season saw **sold-out Dandia events** in Austin, Thousand Oaks, Dallas, Seattle, and of course the grand finale, the Bay Area Dandia, one of the biggest in northern California with 6000+ people in attendance over two days.

Scintillating SEF, USA Dandias

From Left to right: Mr. Mohan Wanchoo, Mr. Divyogi Patel, Mr. Jay Chaudhry, and Mr. Murali Krishnamurthy at the Be The Light Gala, NY, 2023.

Culture and Values

Throughout SEF, USA's journey of 25 years, its culture has remained one of accountability, transparency, efficiency, respect, and honoring diversity. This has helped SEF, USA retain its top rating of 4 stars by Charity Navigator for nine years in a row, placing it in the top three percent of all charities rated by in the United States.

**Mr. K. Sridharan,
Co-Founder SEF, USA at the Be The Light Gala, NY, 2023.**

Achievements / Awards 2023-24

Award - Life Time achievement award for Dr.R V Ramani for 2023 by Centre for Sight, India at the iFocus 2023 Ophthalmology Postgraduate Education Program in Delhi on 3rd March 2023

Best Paper - In Orbit & Oculoplasty for Dr.Samyra Mujeeb on "Case Series of Patients Undergoing Surgical Corneal Neurotization" at AIOC May 2023

Best Poster Podium Presentation - Dr.Meena G Menon for "Glaucoma in Aniridia-A Giant Black Hole in Visual Impairment" at AIOS May 2023 (award given at AIOC 2024, March at Kolkata)

Best Physical poster - Dr.Henal Javeri for "To operate or not? Post operative outcomes in our series of LHEP patients" at AIOC May 2023 (award given at AIOC 2024, March at Kolkata)

Best Paper- In Optics for Dr.Neethu T Daniel on "Visual Rehabilitation and qualirt of life with Corneoscleral Contact Lens in Irregular Astigmatism at AIOC May 2023

Young Researchers award - ARCPG Thesis Competition Third Prize to Dr.Kelini Sailapurkar on Measurement of change in Angle Kappa and its Correlation with Ocular Biometric Parameters Pre-and Post Phacoemulsification at AIOC May 2023 (award given at AIOC 2024, March at Kolkata)

Best of IJO Certificate Award of Merit - Dr.Diyansh Mishra and team at AIOC May 2023

International Eye Health Hero award - Dr.Mithun Tulasidas at AIOC May 2023

Special Appreciation Award - Dr.Kamala on Life beyond Ophthalmology Award by Kolam at AIOC May 2023

Best Paper in Optics award - Dr.Pallavi at AIOC May 2023

FAICO Award - Dr.Sowmya R at AIOC May 2023

Rotary East Vocational Award - Dr.Rajesh Prabu in June 2023

Runner up Poster Award - Dr.Manmeet Singh on Corneal Crosslinking for Microbial Keratitis in June 2023 at APACRS-Singapore

Businessworld Healthcare 40 under 40 Winner Award - Dr.Neeraj Shah at Bangalore on 27th June 2023

Best Video Award - Dr.Meenakshi Mahesh at The Retina Summit held on 30th June & 1st July 2023 at SN-Chennai

Dr.Mukherjee Oration Recognition - Dr.JK Reddy at the Indian Society of Cornea and Refractive Surgeons meet Aug 2023 at New Delhi

Association of Chamber of Commerce industry awards – SEFI in Best Group of Hospitals across India at New Delhi on 22 August 2023

Award - Winner of 2nd Edition Social Impact Certificate of Excellence to Dr.R V Ramani & Dr.Radha Ramani on joining the Elite BW Power List of Social Impact Leaders & Change-makers 2023, September

Award - Winner of Dr.Rajeswai Mahadevan Best Case Report for Dr.Vandana Kamath, Sep 2023

Fellowship - British Contact Lens Association(BCLA) - Ms.Vandana Kamath

Fellowship - British Contact Lens Association(BCLA) - Ms.Ashwini DL

Fellowship - British Contact Lens Association(BCLA) - Dr.Mohammad Noor Uz Zaman

Award - Student of the year Award to Dr.Simran at KOSCON, Oct 2023

Award - Student of the year Award to Dr.Amrutha at KOSCON, Oct 2023

Award - Dr.Athira for the TOT (Teachers of Tomorrow) at the KOSCON, Oct 2023

Award - Dr.P L Dubey Award for Dr.Rama Kumar at Madhya Pradesh State Annual Conference Oct 2023

Award - Best paper in Glaucoma Award for Dr.Balam Pradeep at KOSCON Oct 2023

Runner up Award - Dr.Mithun Tulasidas for Video Session-Cataract his presentation on Flow Capsulorhexis - a Novel Technique in Hypermaturation Cataract at APOS 2023

Award - Dr.Sudhakar Potti was honoured with the Akira Prabhakar Best Video Award at APOS Oct 2023

Award - Dr.Ashok K won Dr.Rangachari Best Paper Award at APOC Oct 2023

Award - Dr.Ashok K is the Joint winner of the Dr.G R Reddy's Best paper of APOS in Oct 2023

Best Paper Award - Dr.Prabhakar G won the 2nd best paper at the ISMICS Comprehensive Cataract Conference at Hyderabad Nov 2023

Award - Sankara Eye Foundation, India wins Best Health Care Delivery Initiative Award at the Confederation of Indian Industry (CII) WR Innovation in Healthcare Technology & Hospital Awards on 23 Nov 2023 at Mumbai

Award - Association of Schools & Colleges of Optometry Conference (ASCON) Best Poster Presentation Award - Ms.Likhitha

Award - Association of Schools & Colleges of Optometry Conference (ASCON) Best Oral Presentation in Contact Lens - Ms.Vandana Kamath

Award - Association of Schools & Colleges of Optometry Conference (ASCON) Best Oral Presentation in Binocular Vision - Ms.Namratha

Award - Association of Schools & Colleges of Optometry Conference (ASCON) Best Oral Presentation in General Optometry - Ms.Sebin Sebastian

Award - Association of Schools & Colleges of Optometry Conference (ASCON) Fellowship - ASCO Award - Dr.Mohammad Noor Uz Zaman

Award - Association of Schools & Colleges of Optometry Conference (ASCON) Fellowship - ASCO Award - Dr.Aditya Goyal

Best e-poster Award - at BOA Feb'2024 to Dr.Ankita Patil for the title of "A rare case of B12 deficiency presenting as bilateral anterior ischaemic optic neuropathy(EP71)

Best paper award- in Community Ophthalmology to Dr.Kaushik Murali at AIOC, March 2024 at Kolkata

Award - AIOS - CN Shroff Award 2023 to Dr.Mahesh Shanmugam at AIOC, March 2024 at Kolkata

Gold Medal - FAICO(Glaucoma) to Dr.Mithun Tulasidas at AIOC, March 2024 at Kolkata

FAICO Award - to Dr.Singri Niharika at AIOC, March 2024 at Kolkata

Award - International Ophthalmic Heros of India award to Dr.Venkata Prabhakar at AIOC, March 2024 at Kolkata

Award - International Ophthalmic Heros of India award to Dr.Manmeet Singh at AIOC, March 2024 at Kolkata

Best Paper award - Community Ophthalmology award to Dr.Ankeeta Thali at AIOC, March 2024 at Kolkata

Impressions

Ms.Karishma &
Mr.Sunder Chanrai:

1st Mar 2024

I am very impressed with the quality and care, empathy and compassion of this Hospital and its staff. Such amazing work, not only making an impact but also trying to change systems and break barriers to create a greater, longer lasting change to the society.

Mr.Davis John Abraham
Global Head of Social
impact of Cognizant

21st Feb 2024

Tremendous work that is being done here at this hospital. The Leadership Team, Medical professionals and support staff are committed to great outcome and service. Sankara is truly a hidden GEM and prized possession of India

Dr Puttur Purushottam Nayak
Bangalore

04th July 2023

This has been a privilege & pleasure to be Patient of This great organization The Customer Service, efficiency and the expertise of doctors is outstanding. Very impressed by the co-ordination of all in staff which result in effecting and baring tree. Big thanks to PRIYA who provided fantastic service to our treatment. The hospital tour was touched our heart. Equally important, I am so proud to note many. Dear friend and classmate is the founder of the great charitable institutions. Well-done DR. RV Ramani

Dr Uma & Mr Deepak
IISC Medical School
Foundation
Mattikere, Bengaluru

10th Aug 2023

We had a privilege to have walk-through inspection of hospital clinical and non-clinical facilities. The facility is well planned, properly maintained. We were pleased to meet management team to understand research collaboration with IISC in future. Thanks for sharing your experience and insight on setting up new ophthalmology setup. Looking forward to collaboration and learning for longer benefit of healthcare.

Dr Raghu Padmjat
Dean of Research National
Centre for Biological Science
-TIFR, Bangalore

31st Aug 2023

It is wonderful to see the very high quality work being done at Sankara Eye Hospital, The work being done in community wards is especially impressive and worth notify. Congratulations!!

Mr Vikas &
Ms Ridhima Aggarwal
INSEAD, Fontainebleau,
France

06th Nov 2023

It's been truly moving to see all the amazing work being done across Sankara. We are looking forward to a longterm meaningful collaboration between INSEAD + Sankara to help further maximize the impact Sankara is having on its communities.

Ms Hema Chamraj
AMD, USA

15th Jan 2024

Sankara Eye Hospital, Bangalore is an innovation hidden gem, trying to combine bio, clinical & tech spaces to solve real health challenges, proud of their work.

Ms Lakshmi Jagannathan
IIT, Bangalore

16th Jan 2024

Amazing blend of healthcare & technology. Keen to Collaborate for a healthy Society.

Financial Report

Independent Auditor's Report

To

The Board of Trustees of Sri Kanchi Kamakoti Medical Trust

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Sri Kanchi Kamakoti Medical Trust (“the Trust”), which comprise the Balance Sheet as at March 31, 2024, the Statement of Income and Expenditure and Statement of Cash Flow for the year ended, and notes to the financial statements, including a summary of significant accounting policies.

2. In our opinion and to the best of our information and according to the explanations given to us the aforesaid financial statements give a true and fair view of the financial position of the Trust as at March 31, 2024 in conformity with the accounting principles generally accepted in India:

(a) In the case of the Balance Sheet, of the state of affairs of the Trust as on March 31, 2024; and

(b) In the case of the Income and Expenditure Account, of the Excess of Income over Expenditure for the year ended on that date;

(c) In case of the Statement of Cash flow, of the Cash flow for the year ended on that date

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

4. Management of the Trust is responsible for the preparation of these financial statements that give a true and fair view of the state of affairs and results of operations of the Trust in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

5. In preparing the financial statements, management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

6. Those charged with governance are responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.

9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Requirements

10. Further, we report that:

- (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- (b) In our opinion, proper books of account have been kept by the Trust so far as appears from our examination of those books.
- (c) The Balance Sheet and Statement of Income and Expenditure dealt with by this Report are in agreement with the books of account.

ACCOUNTING POLICIES AND OTHER NOTES – FY 2023-24
SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements are prepared under historical cost convention and on mercantile basis and in accordance with applicable accounting standards laid down by the Institute of chartered Accountants of India and normally accepted accounting principles.

The accounting is on the basic of a going concern concept.

2. Fixed Assets

Fixed assets are stated at cost of acquisition, including attributable cost for bringing the assets to its working condition for its intended use.

Fixed assets received as contributions in kind are stated at the cost incurred by its donor and other expenses to its working condition for its intended use.

Depreciation is calculated using the straight-line method over the estimated useful lives of the fixed assets as determined by the management. The loss or profit on disposal of asset is recognized in the year when the asset(s) is disposed of or the asset is condemned.

3. Investments

Investments are in the form of fixed deposits with Scheduled banks.

4. Inventories

Inventories consist of Medicines, surgical items, lens, optical, etc., Valued at cost.

5. Liabilities

Liabilities acknowledged as debt are taken into account, while contingent and disputed liabilities if any, are not provided for and are disclosed by way of a note.

6. Provisions

Provision is recognized when an enterprise has a present obligation as a result of past event and is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined based on management estimates required to settle the obligations at the balance sheet date. These are reviewed at each Balance sheet date and adjusted to reflect the current management estimate.

7. Revenue Recognition

Hospital service income, reflected is at gross amount as reduced by rebates/discounts and other concessions granted.

Income due to the hospital by way of reimbursement from District Blindness Society of the respective States is accounted on actual receipt basis.

8. Foreign Currency Transaction

Foreign currency transaction are recorded at the rates prevailing on the date of transaction.

9. Research and development

Capital expenditure, if any, on research and development is treated in the same way as expenditure on fixed assets. The Revenue expenditure if any, on Research and Development is written off in a year in which it is incurred.

10. Retirement Benefits

a) Retirement benefits such as periodical contribution to provident and Employees state insurance being defined contribution plans are charged to revenue on payment that had become due.

b) The Employee's gratuity is a defined benefit plan. The present value of the obligation under such plan is determined based on the actuarial valuation using the projected unit credit method which recognizes each period of service as giving rise to an additional unit of employee benefit entitlement and measures each unit separately to build up the financial obligation. The trust has an employee gratuity fund managed by trustees through Life Insurance Corporation of India.

c) Liability towards gratuity is provided and contributed to the trustees of the approved fund on the basis of actuarial valuation made and reported by actuaries of the Life Insurance Corporation of India as at the end of the year.

11. Leave benefits

Leave benefits earned by the eligible employees being accounted as and when it is paid to the employees.

12. Contingent liabilities

There are no contingent liabilities pending as 31/03/2024 in account of

(a) Legal cases

(b) Pending taxes or any other statutory liability

(c) LC discounted, except bank Guarantees provided for Rs.18.25 lacs for various Hospital operations.

13. Secured loans

Loan Payable on demand of Rs 11.33 Lakhs from Canara bank is secured by mortgage of Immovable properties situated at 16A, Sankara Eye Hospital St, Sathy Road, Coimbatore.

14. Previous year figure

a) Previous year's figures have been re-arranged and re-grouped wherever necessary so as to make them comparable with those of the current year.

b) Figures have been rounded to the nearest Rupee.
